THE PINE BAR

MAYFAIR

EVERGREEN

SIGNATURE COCKTAIL COLLECTION | 2026

THE IDEA BEHIND THE MENU

The pine never fades. Through every season it stays green, and that is the idea behind everything we pour: drinks that endure, made with care and with respect for what made them great in the first place.

We start with the classics you already know and make them our own, drawing on the world around us: forest and honey, orchard and herb, cold air and smoke.

Familiar at heart. Distinctly Pine.
